

Lovett Farms 2008 Container Program

Effective Dates: *January 1, 2008 (Week 1) – December 30, 2008 (Week 52)*

Container Rep:

Tangela Guerrero

Pricing:

We have both Grower and Broker pricing available and special quotes may be given on extremely high volume customers. Price's are subject to change with notice for example our monthly sales flyer ect.....

Container Sizes:

The majority of our plants are produced in 1gal and 3gal size pots.

Certain varieties are also produced in 2gal, 5al, and 7gal.

We will contract grow in sizes that fit your market.

Placing Orders:

The customer must call in the order to our office at 863-773-9898.

The call must be followed up by faxing a purchase order to 863-773-2665 before we can acknowledge and ship.

Reserving Plant Product:

A: Plants that are ready and in their prime can be blocked off for a period of 2 weeks. If customer can not take plant material at the arranged time then the product shall be returned to our availability to be sold.

B: Plants that are in production and will soon be ready may also be blocked off. From the time the customer receives the phone call that the product is ready for shipping they have 2 weeks to arrange a time and ship or product will be returned to our availability to be sold.

Contract Orders:

Contract Orders are all different and need special attention.

Please call Cheryl Songer or Tangela Guerrero for any contract questions.

Freight:

We ship most of Florida excluding the Florida Panhandle. Our trucks are available for orders that meet our \$500.00 minimum. Those orders that do not meet the minimum will have a \$75.00 drop charge. A fuel charge of \$35.00 will be charged on every delivery. For orders outside our area we can arrange trucking if order is a full load those orders will be FOB Wauchula. Customer Pick up is always welcome.
